

Changes to South Arm timetable

We are listening to the community's feedback regarding changes to bus services and are putting in place the following improvement:

For the remainder of 2019, the **726** between Campania/Richmond and Hobart will now operate year round, including during school holidays.

This affects services departing from:

- Campania 7:00am
- Hobart at 4:10pm

A new **726** service will also commence on Monday 15th April departing Campania for Hobart at 5:10pm weekdays.
